Dear Honorable City Council,

We would respectfully request that you consider supporting the attached resolution that recognizes the accomplishments and hard work of the Beverly Police Department. Over the last six months during the Covid 19 Coronavirus Pandemic the men and women of the department have reported to work everyday and continued to perform their duties under very challenging conditions. The department has remained professional and attentive to Beverly's residents as cries of "Defund the Police" and "Abolish the Police" echo through our nation. The careless, heartless and inappropriate conduct of a few members of the law enforcement profession should not reflect on the daily efforts of our police force.

The men and women of the Beverly Police Department are our friends, neighbors and family and rightfully deserve our support during this tough time. I would like to thank Chief John LeLacheur, Captain Tim Hegarty, Captain Richard Russo and Officer Steven Fiore to take the time to meet with us individually to explain all the vital services the Beverly Police Department provides to our citizens 24 hours a day, 7 days a week and 365 days a year.

Respectfully,

Paul M. Guanci

Resolution Beverly Police Department

Whereas: The Beverly Police Department's Mission Statement reads in part, "While maintaining respect for individual rights, human dignity, cultural diversity and community values, we pledge to sustain a working partnership with our community to protect life and property and to maintain a safe and peaceful environment for all." This core belief and the partnerships forged with citizens and various community organizations has made Beverly one of the safest cities in the Commonwealth to live in.

Whereas: The Beverly Police Department Community Advisory Committee which includes citizen volunteers offers the public a way to make suggestions on how to make Beverly a better, safer and cleaner place to live. Projects worked on by the CAC include removing graffiti from our streets, downtown and neighborhoods, providing education to reduce drug abuse and the implementation of a 25 MPH citywide speed limit to reduce the volume of speeding and dangerous drivers on our roads. Each year the CAC also recognizes Beverly students who participate in their yearly art contest.

Whereas: The Beverly Police Department's Community Impact Unit is making a difference in our city by responding to issues that have been raised by members of the community. This year the department was awarded a \$90,000 grant from the Massachusetts Department of Mental Health to hire a Jail Diversion Worker whose job will include helping those residents with mental health disorders as well as assisting with overdose follow-up treatment.

Whereas: The presence of the Beverly Police Department can be found at the forefront of making Beverly a better place for all of the city's residents. Chief John LeLacheur is an active member of the City of Beverly's Human Rights Committee and has said on more than one occasion "We will not tolerate intolerance in Beverly." Officers from the Beverly Police Department have been present during several recent peaceful protests and have maintained a professional demeanor by remaining neutral thus ensuring that all citizens present remained safe and were able to execute their constitutional rights.

Whereas: The Beverly Police Department is committed to keeping our schools a safe place for students to learn, grow and thrive. The School Resource Officer program is a collaborative effort by law enforcement, officers, court personnel, educators, students, parents and the community to reduce crime while providing a safe and secure learning environment for everyone. The officer's duties include conducting school safety and prevention programs and counsel students and their parents in some of the many complex issues they may be facing. The department's Student Resource Officers also serve as ad-hoc members of the YMCA's Beverly Youth Collaboration Board and maintain a presence in the city's eight private schools as well.

Whereas: The Beverly Police Department is committed to the rapid dissemination of public safety information to the citizens of Beverly. The department has enhanced its communication technology and social media applications. The city's Swift Reach phone system, BPD Facebook, Twitter, My PD smartphone application and the Beverly Police Website www.beverlypd.org have made it easier and more effective to provide timely and concise community safety information to the public.

Whereas: Even during the current Covid 19 pandemic, members of the Beverly Police Department have been ready to answer the call. From something as simple as helping an elderly person cross the street to saving someone's life by administering a dose of NARCAN, the men and women of the department take pride in every task and responsibility asked of them as individuals and as a department. Lifesaving medical aid, suicide prevention, keeping businesses safe and secure, eliminating drugs from our streets and investigating any number of crimes are all in a day's work for members of the Beverly Police Department. The members of The Beverly Police Department come to the aid of all citizens regardless of their color, race, gender, political views, health or economic status.

Whereas: For over two decades the men and women of the Beverly Police Department have been working in substandard and crowded facility. While the City of Beverly took care of other building needs (six elementary schools, a high school and a middle school to name a few), the force has waited patiently and professionally to have their space needs met. The City of Beverly as well as the department is looking forward to the completion of Beverly's new police station in the summer of 2021.

Now Therefore:

The City Council of the City of Beverly do hereby acknowledge, honor, and commend the good work of the Beverly Police Department, and order that the Clerk spread a copy of this Resolution upon the City Records.

Whereas: The Beverly Police Department recognizes the need to acknowledge and to understand the systemic racism woven into all parts of our community, as well as within the police department, in order to fully uphold their mission to serve all members of our community equally. In an effort to begin this work and learning in earnest, under the leadership of Chief LeLacheur and Mayor Cahill, three of the department's Captains have participated in an anti-racism training program along with other city employees and volunteers. There is a commitment from the City and Department alike to continue with this work, learning deep engagement with implicit bias and anti-racist training.

City Council Meeting
Public Meeting Minutes
Tuesday, September 8, 2020**

CITY OF BEVERLY
RECEIVED AND RECORDED
CITY CLERKS OFFICE
2020 SEP 17 11:10 PM

This meeting was conducted under the 'Executive Order Suspending Certain Provisions of the Open Meeting Law G.L. c.30A, §20', signed on March 12, 2020. This remote meeting was held over Google Meet and live streamed by BevCam. Public access information for the hearings was provided on the meeting agenda.

Paul Guanci, City Council President, called the meeting to order at 7:00pm over Google Meet. City Clerk, Lisa Kent, took the attendance by roll call.

Members Present: Stacy Ames, Kathleen Feldman, Timothy Flaherty, John Frates, Estelle Rand, Paul Guanci, Todd Rotondo

Members Absent: Julie Flowers, Scott Houseman

Also Present: Director of Grants Catherine Barrett, Planning Director Darlene Wynne, Finance Director Bryant Ayles

Rand led the councilors in the pledge of allegiance.

Guanci made a statement about the meeting being recorded by the City of Beverly and streamed by BevCam on channel 99 and BevCam's YouTube channel. He confirmed that all members present could hear him and noted the remote meeting format and process due to Covid-19. Guanci read Rule 22 of the Beverly City Council. He introduced a vote to allow items to be voted on the floor as opposed to referring them out to subcommittee. Kent took a roll call vote and the motion carried (7-0).

Guanci reviewed the process for virtual meetings and hearings, including having those present state in the chat window when they would like to speak, muting themselves when not speaking, and speaking clearly for the minutes. He asked that those speaking state their name and affiliation at the beginning and keep within the three minutes.

Resolution

Order #194-Beverly Police Department

Guanci stated he would entertain a motion to hold #194 until the next meeting. Moved by Rotondo. Seconded by Ames. A roll call vote was taken, and the motion carried (7-0).

Acceptance of Minutes of Previous Meetings: July 13, 2020 and August 24, 2020

Rand moved to approve. Seconded by Rotondo. A roll call vote was taken, and the motion carried (7-0).

Communications from His Honor the Mayor

Order #183-Grant-National Urban Search and Rescue Response System grant from Emergency Management Task Force for \$1,211,631 from the US Department of Homeland Security and FEMA.

Catherine Barrett, Director of Grants, spoke on the item stating that this grant is brought in each year by a team lead by Mark Foster and thanks to his team for securing this important funding this year.

Ames motioned to approve. Rotondo seconded. A roll call vote was taken, and the motion carried (7-0).

Order #184-Grant-\$62,535 Green Communities grant from MA Department of Energy Resources. These will be used for HVAC improvements at Cove and Hannah Schools Barrett said this grant is annual and led by Mike Collins and the engineering team. The HVAC improvements under this grant will only be done at Cove School.

Rand asked that the captions be turned on for the meeting.

Ames asked about efficiency and the cleanliness of the air and requested a little more detail on what this was funding.

Barrett said Mike is the expert, and these types of improvements have been done on other elementary schools. She said she could get more information. It is finishing up a multi-year project to renovate the HVAC at the elementary schools, and Cove and Hannah are remaining to finish this fall.

Ames moved to approve. Feldman seconded. A roll call vote was taken, and the motion carried (7-0).

Order #185-Appointment-Mr. Paul Goodwin, 26 Michael Road to serve on Human Rights Committee.

Referred to Committee on Legal Affairs.

Order #186-Reappointments-Open Space & Recreation Committee-Mr. Charlie Mann, Mr. Gregory Sharp, and Mr. Todd Callaghan

Referred to Committee on Public Services

Order #187-Subordination agreement for the property owned by Lisa and Michael Curtis at 20 Cressy Street.

Kent noted that the order should be #187 all the way through the document, not #188. Guanci asked Planning Director Darlene Wynne if she had any comments. Wynne noted that the City had previously approve a subordination agreement in 2009 for this exact property. The City does not typically subordinate loans if someone is taking equity out, but they have done it in the case of refinancing. The loan to equity ratio is very good in this case so the risk is lower for the City in terms of if they were to default. She is fairly comfortable recommending this one.

Guanci confirmed with Wynne that the bottom line is when they sell the house, they owe the City \$5,500 plus interest.

Ames motioned to approve. Rotondo seconded. A roll call vote was taken, and the motion carried (7-0).

Order #188-Reappointment-Labor Representative on the Beverly Housing Authority Board, Mr. Bruce Abbott
Referred to Committee on Public Services

Order #197- Late File-Grant-From Department of Housing & Community Development-utilized to address emergency needs in light of the Covid-19 Pandemic.

Ames motioned to accept the late file from Mayor Cahill Order #197. Rotondo seconded. A roll call vote was taken, and the motion carried (7-0).

Barrett apologized for the late file, stating that the deadline is September 28, and they didn't think the next Council meeting on September 21 would allow time.

Wynne noted that the City will not see the money; it will be paid directly from Mass Growth Capital Corporation to businesses. There will be a lottery system for the application period for businesses who qualify. The City will be able to review who has applied. Businesses can get up to \$10,000. By not doing first come first serve, it gives a wider berth of businesses the opportunity to participate and apply. There are a number of criteria, and the application will be online.

Rotondo said he will need to recuse himself as he is a business owner who would participate in the grant application. Rotondo left the meeting.

Ames asked how it will be publicized.

Wynne stated it was tweeted and put on facebook this afternoon through the Mayor's page.

Wynne will send an email to Main Streets, the chambers, anyone on the business list. There will be a press release going out.

Ames suggested the Patch, newspapers, and the local radio station. Ames highlighted that is a grant, not a loan that needs to be repaid, and asked about restrictions on where it can be spent.

Wynne noted that there are some restrictions that were set by CDBG. Businesses will need to have under five employees, have been opened for a certain amount of time, a certain income, etc. Mass Growth Capital will help people fill out the application. Certain businesses are excluded like alcohol sales, firearm sales, marijuana retailers, real estate, etc. Wynne noted that the deadline was September 25, but they are trying to push it out a couple more days.

Ames motioned to approve. Rand seconded. A roll call vote was taken, and the motion carried (6-0, Rotondo recused himself).

Public Hearings

7:20 PM Order #180-National Grid Petition—Plan # 29850210-Hillside Ave and Bridge Street

At 7:30pm Guanci called the public hearing to order.

Michael Byrne represented National Grid and gave a summary of the project.

Rotondo returned to the meeting.

Ames motioned to approve. Rotondo seconded. A roll call vote was taken, and the motion carried (7-0).

7:30 PM Order #168-Transfer from FY2021 reserve for unforeseen account in the amount of \$150,000-11 Charles Street

Guanci called the public hear at 7:32pm.

Bryant Ayles, Finance Director, spoke on the item. He said a contractor could not complete the project, and the funds approved in March effectively expired as of June 30 and the money would go into free cash which would be certified later this year.

Ames asked if a final quote was received for this.

Ayles stated that if the bid is lower than the money appropriated, the money can be returned to the general fund at a later date.

Guanci closed the public hearing.

Ames motioned to approve. Rotondo seconded. A roll call vote was taken, and the motion carried (7-0).

Communications from Other City Officers and Boards

Order #190-Community Preservation Committee- Proposed CPA Fiscal Year 2021 Budget
Guanci moved to set the public hearing for September 21 at 7:30pm. Seconded by Ames. A roll call vote was taken, and the motion carried (7-0).

The Honorable City Council

Dear Honorable City Council:

I respectfully request your approval to fund the racial justice and equity initiative for Beverly. As you recall, we collectively committed in principle to this initiative during the City Council's fiscal year 2021 deliberations. This funding request will serve three near term goals of the initiative. First, to provide training to city and school department staff, boards and commission volunteers and other stakeholders. Second, to conduct an equity audit which is necessary and considered a best practice for advancing our goals; and third, a full-time position to coordinate and manage this year's deliverables and work on long range planning and program implementation.

I request that the City raise and appropriate \$100,000 to be placed into the Executive Department budget along with a transfer of \$50,000 from the reserve for unforeseen. This will bring the total requested funding level to \$150,000 for FY2021. A public hearing is required prior to final action by the City Council. I ask that you please take action on this request at your upcoming meeting.

Sincerely yours,

Michael P. Cahill

The Honorable City Council
City Hall
Beverly, MA 01915

Dear Honorable City Council:

I recommend that the City establish the position of Sustainability Director to support and guide Beverly's many sustainability efforts, chief among these to aggressively combat climate change by mitigating municipal and city wide greenhouse gas emissions through an array of strategies. I have long believed in the value of and need for this position within our City, and I am pleased to share that we recently secured a three-year private donation to support this effort. This generous donation is structured to support 80% of the position cost in year one, 60% of the position cost in year two and 40% of the position cost in year three, the intent being that in year four, the city will fully absorb the cost of the sustainability director within its operating budget. This \$100,000 donation from The Monarch Group, LLC will cover 80% of year one costs to fund this position.

Massachusetts General Law requires approval of the City Council to expend this donation as intended by the donor. In addition, I request approval of a transfer of \$15,000 from the reserve for unforeseen to cover the 20% not funded by the donation. I request the transfer be placed into the Executive Office budget. The transfer will require a public hearing prior to final council action. I respectfully request that you set this public hearing to take place at your next regularly scheduled meeting.

Sincerely yours,

Michael P. Cahill

To Whom It May Concern:

I am writing to recommend Brian Abelli for the position of Chief Constable. Brian possesses good judgment and an impressive background in security operations and the U.S. military and is an accomplished trainer, instructor, and leader. As Chief Constable I believe that he can improve quality and service, reduce complaints, reduce liability, and slowly raise the level of training and standards in this office.

I have known Brian since August 2016 and have supervised him and promoted him based on his track record. He started as a contractor security officer, then became contractor supervisor, and finally was hired as a CJP employee. During this period, Brian supervised multiple contractor security officers, developed security officer orders, managed schedules, and managed payroll and invoicing. In addition to these important administrative tasks, Brian worked to manage security at dozens of Jewish events each year, ranging in size from 50 to 300 to 2000 people with venues including some of the top hotels in the Greater Boston area. He is used to supervising others and managing very demanding clients. Brian has utilized open source social media to provide notifications about pending protests and threats against CJP and other Jewish organizations in the area. He has also helped to peacefully manage protesters outside CJP and at different events. Many of these situations could have escalated out of control, but Brian's low-key management of difficult situations has been beneficial to all.

Brian had a tremendous amount of U.S. military training and has furthered that training and since early 2017 has become an instructor in ALICE active assailant training, an instructor for American Red Cross First Aid and CPR training, and an instructor in Stop the Bleed training. He has utilized his medical skills with the military and at different serious medical incidents among CJP staff and guests. He

and I also conduct presentations on safety and security and drills with CJP staff and with other organizations in the area.

I have spent four years at CJP working with Brian on safety and security programs. I spent the previous 22 years as a Special Agent with the U.S. Department of State — serving in NYC, Boston, and managing U.S. Embassy security in three different countries for a decade. I retired as the Assistant Special Agent in Charge, DSS, Boston Field Office. I have supervised special agents, police officers at home and overseas, military personnel, and contractor security personnel. Brian is a rare find, has done a great job at CJP, and I believe would be an asset in the position of Chief Constable.

If you have questions or require further information, please email me at JeremyY@CJP.Org

Important information for vehicle owners

- **Certificate of Registration:** Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and/or trailer, in the vehicle, in some easily accessible place. The records of the RMV constitute the official status of the vehicle registration.
- **Change of Address:** By law, you must report any change of address to the RMV within 30 days. Visit mass.gov/rmv to change your address. Once you have reported the address change to the RMV, please write corrected address in box provided above.

Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. See the Transferring a Registration Section on the RMV's website at mass.gov/rmv for more information.
